

Adobe Student Sign-up

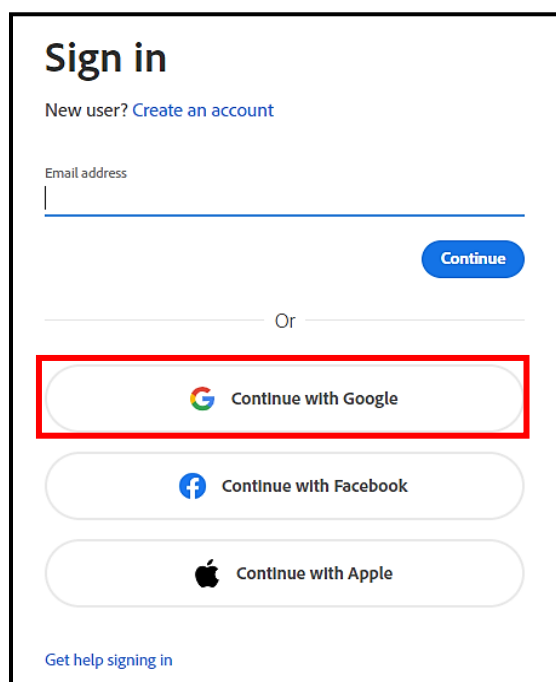

Note: The usage of all Adobe products for students is limited to on campus. However, please check your course and with your instructor on what programs you need for your class.

Through the Web

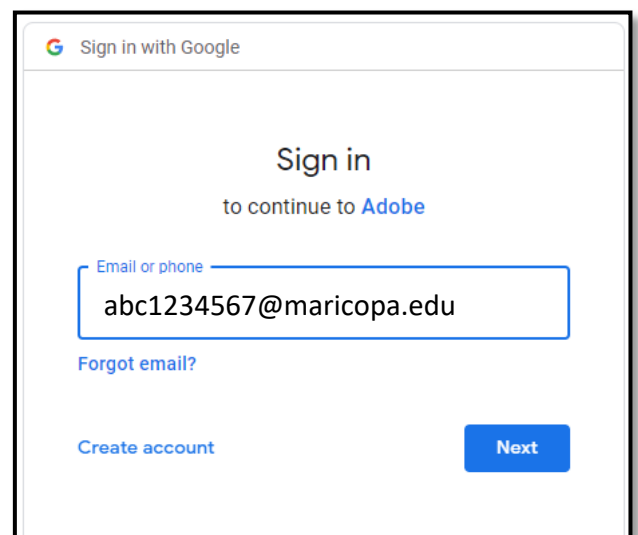

1. Go to the Adobe Creative Cloud website here: <https://creativecloud.adobe.com>

2. Click on the **Sign in** button, select **"Continue with Google"** and enter your student account credentials (your MEID@maricopa.edu and your current password)

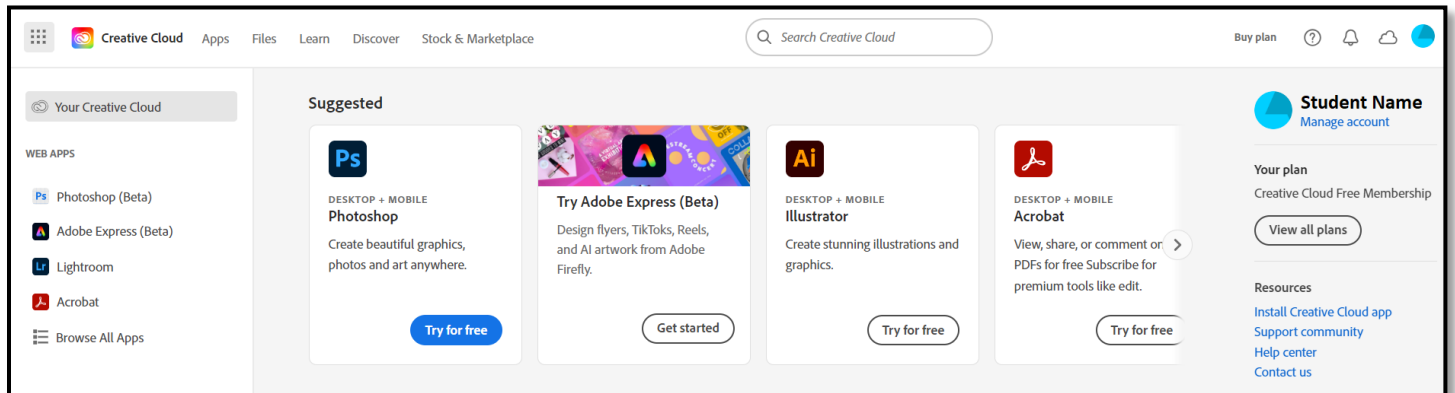

The screenshot shows the Adobe Creative Cloud sign-in page. It has a "Sign in" header and a link for "New user? Create an account". There is an "Email address" input field and a "Continue" button. Below this is an "Or" separator and three social login options: "Continue with Google" (highlighted with a red box), "Continue with Facebook", and "Continue with Apple". A "Get help signing in" link is at the bottom left.

The screenshot shows the Google sign-in page. It has a "Sign in with Google" header. The main heading is "Sign in to continue to Adobe". There is an "Email or phone" input field containing "abc1234567@maricopa.edu". Below this are links for "Forgot email?", "Create account", and a "Next" button.

Adobe Student Sign-Up

3. Click on **Next** and it will take a minute to sign into Adobe
4. You will be taken to the Adobe app dashboard. You will see apps here for purchase or to install
5. Look for the app(s) you need and hit the **Install** button. Then follow the steps provided

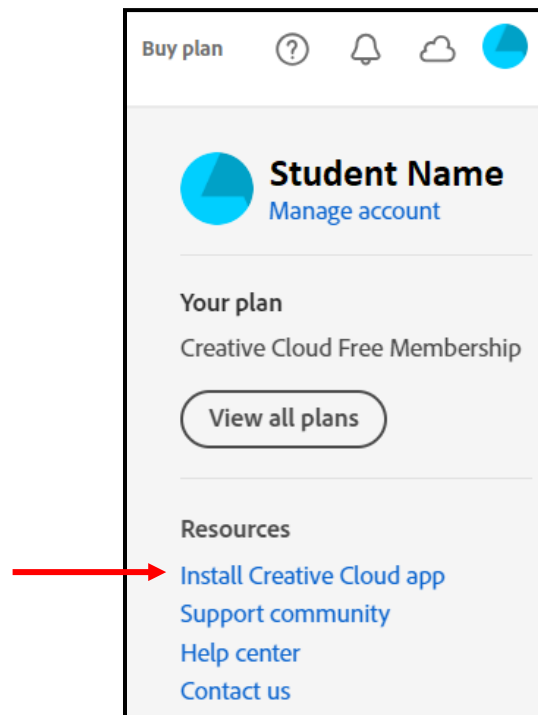

If the above steps do not work, please follow the steps on the next page to install the Creative Cloud Desktop app.

Through the Desktop App

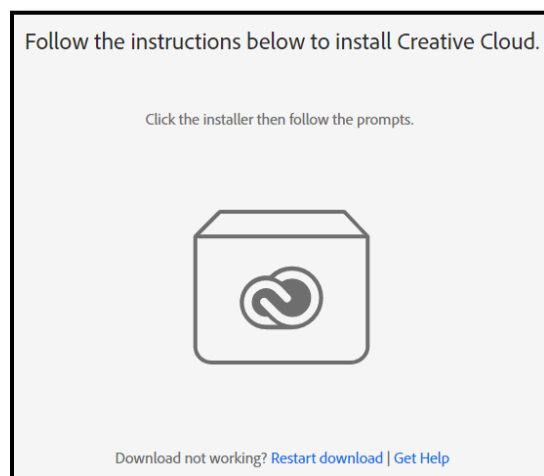

1. The Desktop app can be downloaded from the Adobe Creative Cloud website here: <https://creativecloud.adobe.com/>

Or from this direct link here: <https://helpx.adobe.com/in/download-install/kb/creative-cloud-desktop-app-download.html>

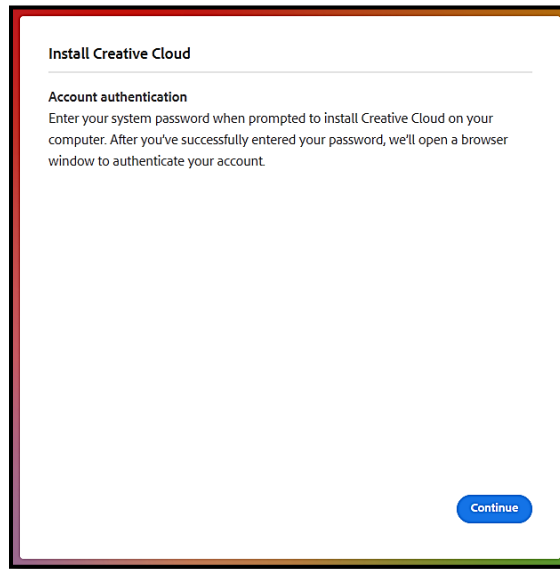

Or if you are already signed into the Adobe Creative Cloud website, go to the right and you will see some options. Click on the **“Install Creative Cloud app”** link

2. You will be taken to a page where Creative Cloud will automatically begin to install. This may take a minute

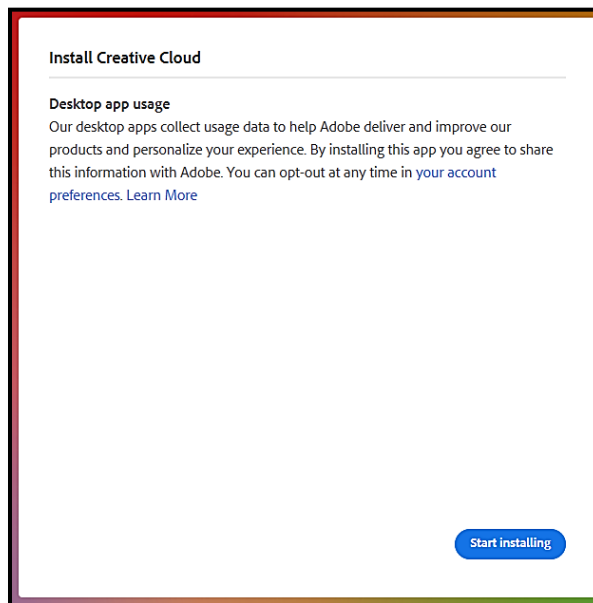

3. When prompted, click **“Continue”** and enter your student account credentials

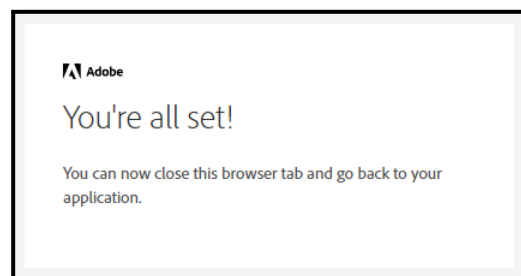

- You may be prompted to enter in your personal device's login credentials to approve the install (not your student username and password), if you have that set up

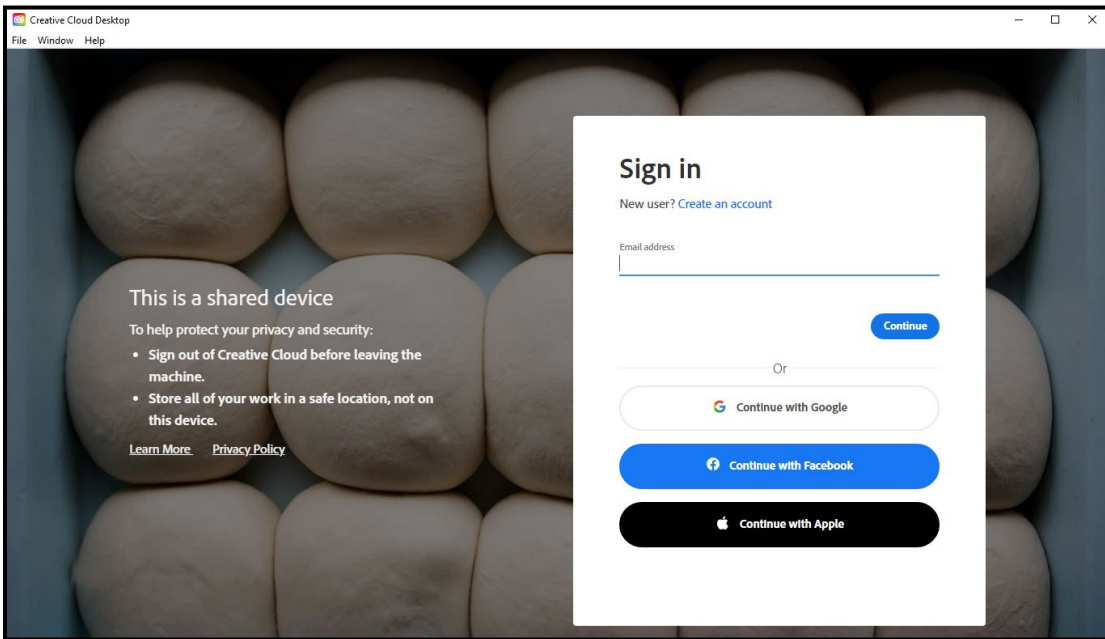

4. Then click on the **“Start installing”** button. Please allow time for installation.

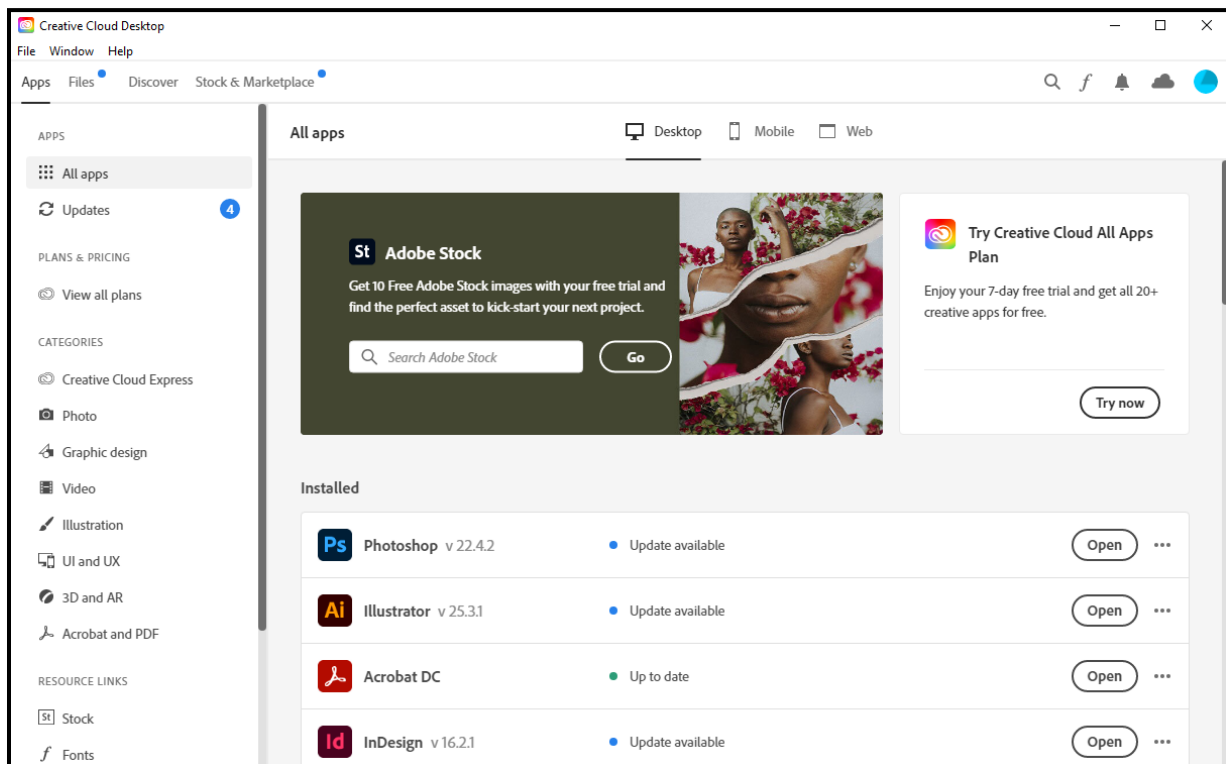

5. Once installation is done, a browser window will pop up with a **“You're all set!”** message. Once you close the window, the Creative Cloud app will appear

6. Adobe Creative Cloud is now installed! The app can be found on your desktop, or on your device's Taskbar/List of programs (Windows), or Dock/Applications folder (Mac)
If you are already not logged in, log in again with your student account*

**If you are ever signed out of the Creative Cloud, you can always sign in again. Just use the "Continue with Google" method as shown above and you should be signed in right away.*

Having trouble installing Adobe software?
