

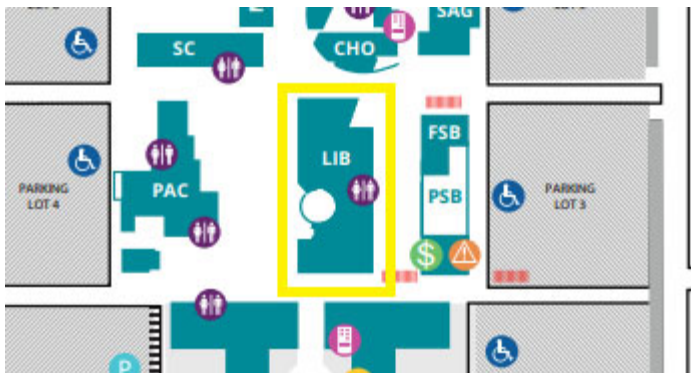

Graphing Calculator Rentals

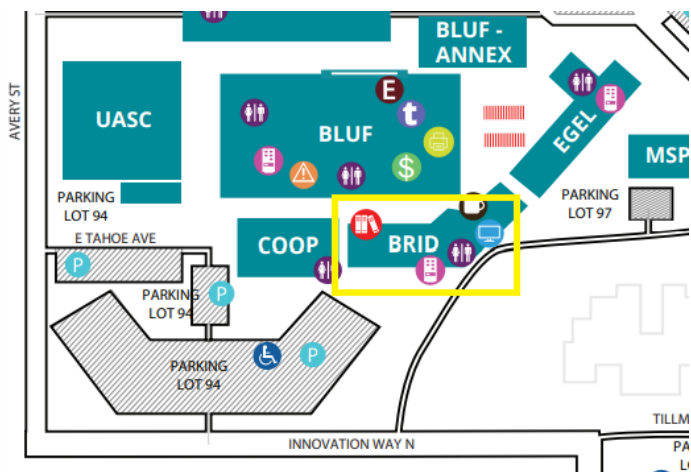

As of Spring 2024 graphing calculators will be available for students to borrow in the library at both the Pecos and Williams campuses– **FREE OF CHARGE!**

- ❖ **Calculators are available on a 1st come first serve basis.**
 - Calculator rental is for current students only.
 - Student ID is required to borrow a calculator.
 - Calculators are free to borrow but a fee will be charged to the student's account if the calculator and/or its accessories are not returned by the return date at the end of the term.
- ❖ **Calculators are for semester-long use.**
 - Day-use calculators will no longer be available through the Mathematics Division office. If a calculator is needed for day-use the student can borrow and return a calculator at the library anytime throughout the term.
- ❖ **To borrow a calculator please inquire at the circulation desk in the library at either the Pecos or Williams campus:**
